

Useful **TIPS**  
for Your travel  
to **Prague**

Our clinic in Prague 1 is located in the very heart of historical Prague. For you, our patients, it means many benefits e.g. many hotels in the neighborhood, easy access from the airport or railway stations and popular historical monuments just few steps from the clinic.

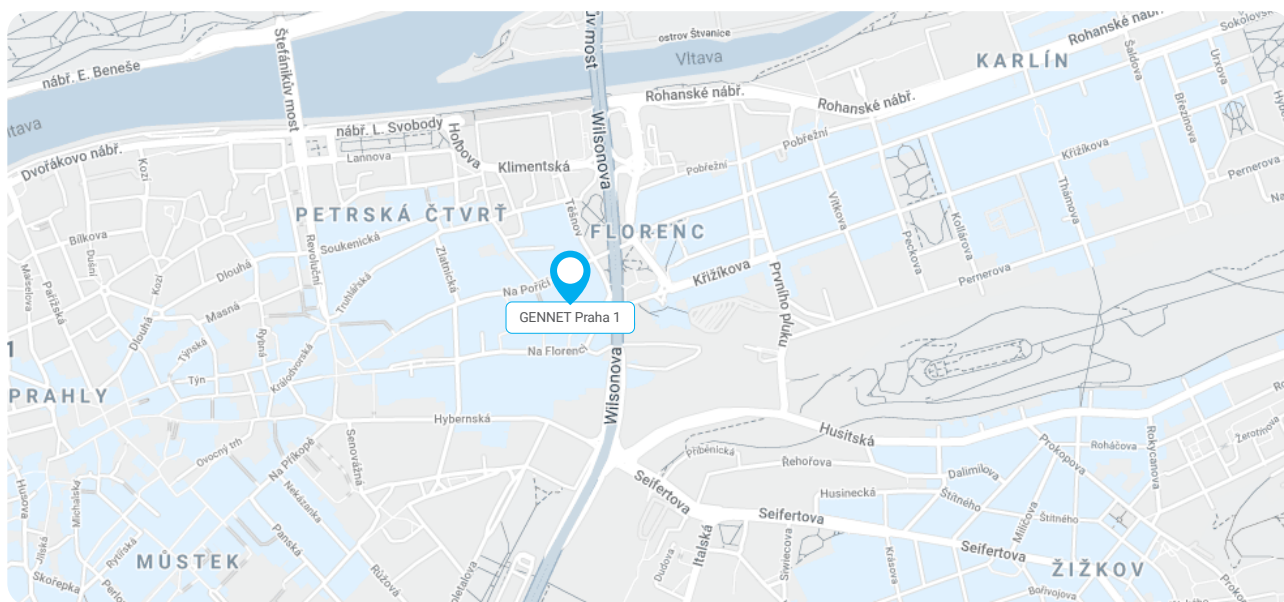

To make your journey to Prague easier we have prepared for you following tips and recommendations.

# How to reach the clinic

Thanks to our convenient location, the clinic can be easily reached by public transport, but is also easily accessible from [the airport](#) or from [the train / bus station](#).

## The nearest public transport stops

**Metro station:** Florenc - red line C and Náměstí Republiky - yellow line B

**Tram station:** Bílá labuť

## From train stations

- **Main train station (Hlavní nádraží):**  
if you use an international train you will probably get off at this station. The station is located in the center of Prague and has it's own metro station Hlavní nádraží (red line C).
- **Nádraží Holešovice:**  
this station is situated on metro line C (red line).
- **Masarykovo nádraží:**  
the station is just a short walk away from the clinic. It is situated on metro line B (yellow line B) station Náměstí Republiky.

## From the airport

- **By bus:** the fastest way how to get to Prague by bus is to take bus number 119 to metro station Nádraží Vevešlavín (green line A, 17 minutes) or bus number 100 to metro station Zličín (yellow line B, 16 minutes). Bus stops are at Terminal 1 and 2. Tickets for public transport can be bought at counters located at the arrival hall of Terminal 1 and 2, from vending machines at bus stops (cash required) or directly at the bus from the driver (cash required).

Information about current public transportation fares is available here: [www.dpp.cz/en/fares-in-prague](http://www.dpp.cz/en/fares-in-prague) where you can also find additional information about public transportation in Prague.  
[www.idos.cz](http://www.idos.cz)

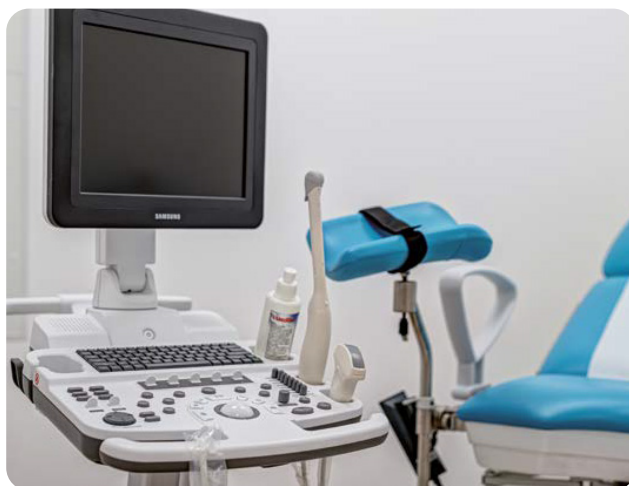

- **By taxi:** there are two official taxi providers Radiocab taxi and AAA Radio taxi. Contact counters of taxi operators are located at the arriving hall of Terminal 1 and 2. Departure points are in front of arrival halls. Both taxi providers have guaranteed tariff prices based on number of kilometers travelled. You can calculate your estimated price here: [www.aaataxi.cz/ Prices/](http://www.aaataxi.cz/Prices/)

#### From bus station

- **Bus station Florenc:** located on metro line B (yellow line B) and C (red line C) and is just a few minutes' walking distance from the clinic.
