Consent to processing of personal data

The applicant agrees to processing of the personal data within the scope of provided personal data (hereinafter referred to as „data“) and the entry of the data in the database of the company FutureLife a.s. with registered office Na prikope 859/22, Nove Mesto, 110 00 Prague 1, ID: 02625067, registered in the Commercial Register maintained by the Municipal Court in Prague, Section B, Insert 19615. The company FutureLife a.s. is a member of the group SynBiol, a.s., that is controlled by SynBiol, a.s. with registered office in Prague 4, Pyselska 2327/2, ZIP 14900, ID: 26014343, registered in the Commercial Register maintained by the Municipal Court in Prague, Section B, Insert 14742. The applicant also agrees to possible processing of data by the author, namely to offering of products and services, information about marketing events as well as for sending of commercial communications by electronic mail pursuant to Act no. 480/2004 Coll., On certain services of an information company and on amendments to some acts, as amended, until the withdrawal of consent.

The applicant acknowledges that his rights are guaranteed by Act no. 101/2000 Coll., On the protection of personal data, as amended, including in particular provisions § 9 a), § 11, § 12 and § 21, i.e. in particular that provision of data is voluntary, the applicant can withdraw his consent free of charge at any time at the address of the administrator, the applicant has access to personal data and right to rectify the data, block incorrect data, data disposal etc. In case of doubt regarding respecting the rights, the applicant may contact the administrator or the Office for personal data protection.

Personal data is collected from the applicant on the basis of an application / web form through which the data is communicated to the administrator by the applicant. Personal data of the applicant shall be processed in the above stated extent in the electronic database of the administrator or author with whom the administrator shall conclude a corresponding contract. All data is stored in digital form.

Should the applicant ask for information about the processing of his personal data, the administrator and possibly the author must deliver this information to the applicant without undue delay. The administrator has the right to request reasonable reimbursement not exceeding the costs of providing the necessary information for providing the information. Any applicant who discovers or believes that the administrator processes his personal data in contradiction to protection of personal and private life of the applicant or in contradiction to the law, in particular when the personal data is incorrect regarding the purpose of its processing, the applicant may ask the administrator or author for explanation or require the

administrator or author to remedy the resulting situation (by blocking, rectifying, amending or deleting the personal data). The applicant is also entitled to contact the administrator with legitimate claims. Should the administrator fail to satisfy the claims, the applicant may contact the Office for protection of personal data, as the applicant may in any case do directly.

The applicant may withdraw this consent in writing at any time. In the event of withdrawing the consent, possible questions sent by the applicant to the Consulting cannot be answered.

The applicant agrees to the publication of the question and answer with sending the form.
